

CELSO LOVATO SHOT BY SANTIAGO BACA, VERDICT

Coroner's Jury at Be- len Hears Testimony of Four Witnesses

That Celso Lovato, county commissioner of Valencia county, "came to his death from a gunshot wound" and that the "shot" was in the hand of Santiago Baca, his brother-in-law, was the verdict of a coroner's jury which was convened at Belen yesterday morning. Baca is being held in jail at Los Lunas and will be given a preliminary hearing Monday on a manslaughter charge.

The coroner's jury heard four witnesses, all eye-witnesses of the shooting. They testified that Baca fired at Lovato as the latter was advancing toward him, and appearing to him to be taking him home. Baca was testified, was flourishing a revolver, and asserting that no one was big enough to take him home.

The shooting was last Tuesday evening on the street of Belen, following the closing of the polls in a rather exciting city election. The incident was held in the court of Justice Telesforo Aragon and members of the jury were Mateo Baca, chairman; Francisco Garcia, secretary; Eladio Baca, Eugenio Cordova, Juan B. Sanchez and Fred Chavez. The verdict as reported was:

"We the undersigned coroner's jury duly impaneled in justice of peace court, precinct 3, Belen, on investigation into the death of Celso Lovato, deceased, find on investigation that Celso Lovato came to his death from a gunshot wound. We also find that the wound was inflicted with a pistol which was in the hands of Santiago Baca at the time the shot was fired."

On account of the headquarters troops, New Mexico National guard, being in Gallup, the track meet which was scheduled for this afternoon has been postponed, but Sergeant Harry O. Claggett announced that the tickets that have been sold will be good for the meet when it is held. The funds thus far raised have been deposited in the bank and all purchases of tickets will be protected.

As soon as it is known when the troops will return from Gallup arrangements will be made to go ahead with the plans for the meet.

Hudson-Essex Sales Threaten To Break Records

Occidental Life Com- pletes Plans for Add- ing Missouri and Utah to Operating Field

The automobile business is rapidly returning to normal for manufacturers of standard cars," says Geo. Landersbach of the local Hudson-Essex dealers.

"Proof of this was shown in the fact that shipments of Essex cars, including those for export, for December, January and February, were 52 per cent of the record Essex shipments for a similar period, made during the abnormal buying of two years ago."

Essex shipments for the company's second fiscal quarter—March, April and May—nearly break all records, Mr. Landersbach has been informed from Detroit to Essex Motors.

"Essex shipments for the last quarter have also set other records. They were three and a half times more than for the same period last year and more than the shipments for the last six months of 1921."

This is a remarkable business gain for automobile men generally, is reached the winter months as the highest in their business and those of March, April, May and June as the best.

The Occidental Life Insurance company, returned Saturday from Kansas City, where he has completed arrangements for the opening of a general agency for the Home Life Insurance company, which will direct its operations throughout the state of Missouri. An agency manager has been included at Kansas City.

Mr. Miller will leave early this week for Salt Lake City, where he will spend a state agent and open a general agency for Utah. The Occidental has held permits for some time to do business in both Missouri and Utah but up to the present time had not actively entered those states. Opening of the general agencies in Missouri and Utah will enable it to do the business of states in which the Albuquerque company is operating.

The solemn ceremony of extinguishing the lights symbolic of the darkness into which the world was come by the extinction of the lights will be celebrated at the Masonic Temple on Maundy Thursday evening, April 13.

Yearly participation in these ceremonies is obligatory on all Masons who have attained the eighteenth degree and all who are eligible, are expected to attend.

The meeting will open sharp at seven o'clock and will be followed by the annual Maundy Thursday, banquet and celebration of the obligatory tests required by the supreme council. Following the usual custom the ladies will be entertained at the banquet.

The ceremony of relighting the lights will take place Easter Sunday morning at 10 o'clock.
